

## RESOURCE EMPLOYMENT OPPORTUNITIES

### Forest Professionals (RPF & RFT) Forest Technicians and Field Crew

Ideal candidates:

- Have a positive, goal oriented, quality focused attitude to safely getting the job done.
- Are physically fit and want to work outdoors in all conditions and terrain.
- Are motivated to learn new skills; mentored by our experienced senior staff.
- Have a valid driver's license.
- Can work in periodic out-of-town and/or camp situations

Preference will be given to candidates who have experience in multiphase timber development (ground and/or cable systems), timber cruising and silviculture surveys. Knowledge of the BC appraisal system, BC BEC system and riparian classification are assets.
