

# West Fraser

**Are you ready to discover opportunity with one of North America's most successful forest companies? Rated as one of Canada's Top 100 Employers for six years, we are a growing Company looking for talented people to be part of our team.** The Woodland's Team at our 100 Mile Lumber Division has an opportunity for a highly motivated, forest professional for the role of:

## **SILVICULTURE COORDINATOR**

Reporting to the Silviculture Superintendent, the Silviculture Coordinator will work with a team of professionals responsible for all reforestation activities. Our Silviculture Coordinators enjoy a balanced mix of field and office work, while living in the community of 100 Mile House.

### **Duties include:**

- As a Silviculture Coordinator, you would be responsible for all aspects of reforestation in a designated area. This includes developing plans and prescriptions, contract administration, contractor supervision, data collection, reporting, and budget preparation.
- Program coordination with other members of the Silviculture team and the Planning and Operations Departments.
- Additional responsibilities include monitoring contractor compliance with safe operating procedures, SFI certifications, and health and safety programs.

### **The ideal candidate will possess:**

- A forestry, natural resources, or relevant degree or diploma.
- A Registered Professional Forester (RPF) or Registered Forest Technologist (RFT) Designation with the Association of BC Forest Professionals (ABCFP).
- Excellent communication and interpersonal skills, proven organizational skills, and a willingness to learn and undertake new challenges.
- 2-4 years of relevant silviculture experience.
- Knowledge of ArcMap, MS Office, iPads, and GPS will be considered an asset.

At West Fraser, we believe in giving our employees a challenge they can rise to. We are looking for individuals who are interested in career advancement for progression through various aspects of our business. We offer an excellent compensation package including a competitive salary, excellent benefits and an outstanding pension plan.

100 Mile House and surrounding area is home to approximately 15,000 people and offers a close knit, friendly atmosphere with modern recreation, education and medical facilities, and excellent outdoor leisure opportunities.
