

Timber Cruiser/Forest Tech Positions

Zanzibar is a company of 150 people who provide forestry services across BC. The company has been in business for over 35 years and has planted more than 350 million trees. Based in North Vancouver, Zanzibar maintains an office in 100 Mile House where it provides a full range of cutting permit development and consulting services.

100 Mile House Office

Zanzibar has two positions open for candidates with experience in timber cruising and cutting permit development. These are field positions with some office work. The majority of the work is accessed from 100 Mile House, not camp.

Forestry Duties

- Timber cruising assistant (formerly called compassman) or greater
- Road and block layout
- Riparian assessments, SP data collection
- GPS traversing including boundary and road traverse
- Office experience including GPS data upload/download, document editing

Other Qualifications

- Valid Class 5 driver's licence plus drivers abstract
- Physical fitness and ability to work outdoors in all conditions
- Ability to work independently with limited supervision
- Ability to work cooperatively in a team
- Level 1 first aid and S100 are assets
- Minimum two references required

Remuneration

This is a full time position with competitive wages and temporary housing options available. Preference given to candidates registered with the ABCFP as RPF, RFT, ATE, ATC, or eligible to register in the next two years. A benefits package is being developed for full time employees in this office.
