

AUSTRAL

Austral Tree Services in Adelaide, South Australia, Australia is a leading provider of vegetation management services, committed to providing safe working conditions, first class equipment and a healthy work-life balance. Opportunities exist to join our fantastic team.

As our company continues to experience growth we are seeking experienced Climbers/Cutters and EWP/Bucket Cutters to join our arboricultural crews. We are also seeking Chipper Operators and Stumper Operators, for which no experience is necessary as on the job training, will be provided.

We are able to provide fully furnished accommodation in a great location within close proximity to our depot, if required.

Adelaide is a beautiful small city of just over one million people; it has a Mediterranean climate, excellent clean beaches for swimming and surfing just 20 minutes from the city centre.

An immediate start is available, and we would be pleased to offer working arrangements (ie/ full-time, part-time, casual etc) to best suit your needs. An MR truck licence is essential.

For immediate consideration, please contact Tony Di Matteo on 0412 615 952, or by email with resume to tony@australtree.com.au
