FIBRE SUPPLY ACCOUNTANT

Reporting to the Vice President Fibre Supply and working closely with the Financial Controllers at both AV Cell and AV Nackawic the Fibre Supply Accountant will take a lead role in ensuring compliance with corporate policies and GAAP. The Fibre Supply Accountant will also provide accurate decision making information that will support the entire Fibre Supply Management Team. This position requires well-established organizational skills, a high level of motivation and energy, excellent communication skills and a desire to work in a dynamic team environment.

Job Description

The Fibre Supply Accountant's focus is to support the Fibre Supply Management Team by developing and implementing decision support and reporting systems, accounting standards and streamlined best practices throughout the organization.

Specific Key Tasks

- Coordination of Accounting Standards and Financial Reporting for Crown License 1 and 8
- Annual Budget preparation
- Monthly reporting – KPI's, Financials, Forecast, Variance Analysis, etc.
- Royalty and Overhead Account Management
- Sub-Licensee Invoicing, Contractor Pay, Accounts Payable
- Freehold fibre sales tracking and invoicing
- Oversight of Inventory Control
- Cost analysis support for Woodlands Staff
- Develop and maintain a solid understanding of operational and corporate business practices and standardization

Qualifications

- Minimum 2nd year CGA
- Several years experience in general accounting and monthly reporting
- Advanced personal computer skills (MS Office suite of products)
- 3LOG and Ross ERP experience would be a benefit
- Woodlands experience preferred

Position Location: Nackawic, NB
