

Location: Montreal (Pointe-Claire), Quebec

Founded 25 years ago, Boscus Canada Inc. is a well-established organization operating in the lumber industry as a wholesaler, distributor, and international broker. We are one of the most experienced and largest organizations of this type in Canada, marketing a large variety of softwood and hardwood products to major users in Canada, the United States, and abroad.

Boscus Canada Inc. is presently looking for candidates to fill the following position:

#### **Lumber Trader**

Boscus Canada is seeking a Lumber Trader to join their experienced team. The ideal Trader will have a university degree in business, marketing or equivalent, a minimum of two years experience in sales, refined sales skills and a keen interest in developing long term relations with customers and suppliers. If you are self motivated, bilingual, deal with pressure well and you are an exceptional communicator, then this opportunity may be right for you!

Description :

- Purchasing and sales;
- Inventory management;
- Customer base development;
- Long term strategic partnerships development;
- Offering a well informed opinion regarding market strategies or positions;

If you wish to pursue your career in a well established company providing excellent working conditions and beneficial payment system, please submit your application.
