

Career Opportunity

Field Supervisor – Fort St. John, B.C.

Forsite, an innovative forest management company with 6 locations throughout B.C., is looking for candidates interested in a challenging full time position in the area of multiphase timber development out of our Fort St. John office.

Employment highlights:

- **Dynamic work environment**
- **Excellent career development opportunities**
- **Industry leading remuneration and benefit packages**
- **Flexible work schedules**
- **Focus on safety**

At Forsite we excel by being a flexible, adaptable, people-oriented business. We are successful through creating value for our customers and opportunities for our employees. Through our commitment to forest land management we create an environment that challenges our staff and provides opportunity for personal and professional growth.

You should demonstrate the following:

- Enthusiasm, be hard-working, hand's on, and show a passion for forestry and working outdoors.
- A professional, friendly and courteous manner, being service & team oriented.
- A strong sense of business and a desire to work in a competitive environment.
- Strong organizational and problem solving skills.
- Initiative and perseverance.
- Self-direction, flexibility and the ability to work under limited direct supervision.

REQUIREMENTS:

- 1) Detailed knowledge of the full spectrum of individual tasks encompassed by a multi-phase project along with an understanding of how the tasks are packaged for presentation to the client.
 - a) Timber recce and summarization of timber quality/quantity, access, identification of site constraints and challenges.
 - b) Boundary layout and traverse (including GPS downloading/data storage/file naming)
 - c) Stream assessment
 - d) Road location and traverse
 - e) Site plan data collection
 - f) Timber cruising
 - g) General GIS operations
- 2) Efficient direction of junior timber development staff.
 - a) Safety
 - b) Ability to effectively supervise 2-3 other technical staff
 - c) Scheduling and supervision of crew's daily tasks
 - d) Quality control
 - e) Assembly and compilation of field data.
 - f) Progress tracking and associated project/task completion forecasts.
 - g) Project budgeting and contingency planning
 - h) Training and mentoring

If you are interested in this challenging and fulfilling position with a competitive compensation and benefits package, please email a cover letter and resume, with "Field Supervisor – Fort St. John" in the subject line, to jdawkin@forsite.ca or fax to 1-888-273-0209.

Only candidates selected for interviews will be contacted.
