

Marchand Resource Management is a forestry consulting company based in Williams Lake, B.C. providing full phase development and silviculture services to local clients within the Interior of British Columbia.

We are currently seeking applications for **Intermediate and Junior Forestry Technicians** to assist existing staff with block and road layout, timber cruising, site plan data collection, riparian assessments, GPS'ing and other field and office related duties.

Requirements:

Intermediate (Assistant) Forestry Technician:

- Current registration as a TFT, RFT, FIT or RPF is considered an asset, but not necessary.
- Two or more years of layout experience working within the BC interior.
- Physically fit and willing to work in adverse weather conditions.
- Camp work is required.
- Class 5 Drivers Licence and Level 1 First Aid are required. Drivers Abstract required upon hiring.
- Willingness to learn and adapt to client needs.

Junior Forestry Technicians

- Physically fit and willing to work in adverse weather conditions.
- Camp work is required.
- Class 5 Drivers Licence and Level 1 First Aid are required. Drivers Abstract required upon hiring.
- Willingness to learn and adapt to client needs.

Please submit your resume in PDF or Word format to Chad@Marchandresmgmt.ca and included the position you're interested in the subject line.

Applications will be accepted until the positions are filled.

We would like to thank all applicants in advance; however only those selected for an interview will be contacted.

Specializing in the management of silviculture and development projects.
