

Regional Director, Northeast Region

The **Ministry of Natural Resources** is responsible for developing and managing provincial programs in an ecologically sustainable way in order to conserve biodiversity and ensure that Ontario's natural resources are protected, managed and available for the enjoyment and use of future generations, and to ensure public safety. The ministry seeks a seasoned and results-oriented leader to oversee the implementation of the ministry's mandate of ecological sustainability. Working with and through a large and diverse professional, technical, administrative and support team, you will ensure that competing uses of natural resources are accommodated, that important natural and cultural features are conserved, and that the resource base is sustained, all within Ontario's rich northeast region. Through direct input into policies, programs, procedures and associated legislation with respect to natural resources management and preservation in Ontario, you will have a significant impact on Ontario's natural and cultural future. **Location: Timmins.**

Qualifications: demonstrated leadership competencies to deliver, inspire, connect, and transform at the executive level; demonstrated expertise in multi-site operational leadership to ensure regional program coordination and delivery in a vast geographic area; proven experience with strategic planning and performance measurement to ensure successful and responsive delivery of programs and services; demonstrated success in transformational initiatives to modernize the delivery of programs and services to the public; excellent interpersonal, relationship management and negotiation skills to foster and maintain strategic partnerships with internal and external stakeholders with diverse agendas; experience leading diverse and dispersed teams, along with an appreciation of regional geographic, cultural, and linguistic diversity and issues; demonstrated experience leading and advising through complex and politically-sensitive issues, together with an understanding of public policy processes and priorities.

Please send your resume and covering letter, by e-mail, only, quoting **Job ID 25017**, by **February 23, 2010**, to mnr-rdnr@bridgespan.ca. *Only those applicants selected for an interview will be contacted.*
