

Silviculture Field Positions (2010 Season)
Location: East Kootenays
Company: R3 Forestry Consulting, Fernie B.C.

R3 Forestry was established in 1992 and receives direct award for silviculture surveys located in the South Country, Flathead, Wigwam flats and the Rocky Mtn. Trench area.

Positions:

Two 4-6 months Silviculture Survey positions are available to the most qualified applicant that would like to experience the South Country area with all that it has to offer with work and play. Season begins May 3, 2010.

Requirements:

- Minimum of one or more full seasons experience with regeneration surveys, free growing and multi layer surveys. Candidates with a BC Silviculture survey certificate will be given first priority.
- Experience with the use of PDA's as well as computer and GPS skills are a strong attribute to be a successful candidate.
- Strong skills with report writing and map reading.
- Important for the successful candidate to be able to work alone in the forest with portable radio check in procedures.
- Must be able to drive a 4 wheel drive truck.

Certification and Licenses:

(Some of these can be obtained in Fernie prior or during the 2010 field season)

- OFA Level 1 First Aid and Transportation Endorsement
- Fire Suppression S100
- WHMIS/EMS/S100A (2010 certification)
- Valid BC Drivers License

Furnished accommodation in Fernie is available at \$300/month inclusive. Wages will be dependent on forestry experience/education. Wages are competitive for the East Kootenays.
