

## Inventory Assistants – Thunder Bay

**Timberline Natural Resource Group Ltd.** is one of Canada's strongest and most geographically diverse full-service natural resource consultancies. Our network of companies has offices in British Columbia, Alberta, Saskatchewan and Ontario, as well as international operations in Chile. We employ over 200 professional and technical personnel.

In response to dynamic and growing business opportunities, our staffing requirements continue to expand. Our **Thunder Bay** office currently is accepting applications for the position of **Inventory Assistants**.

### Job Duties/Responsibilities

The successful applicant will support and facilitate resource inventory projects within Ontario. Specific responsibilities may include:

- Field work, primarily responsible for forest measurement and forest ecology/soils data collection.
- Participation in our Quality Management System and application of quality control procedures.

Inventory staff works closely with other consulting staff across Timberline's offices and with key contacts in allied companies across Canada. Some travel may be required.

### Qualifications

- A degree or diploma in forestry or equivalent natural resource discipline, or significant directly related experience;
- Valid ON Drivers License;
- Ability to work independently and as part of a team;
- Familiar with forestry technological tools and computer software;
- Recent safety training certificates in First Aid, WHMIS, bear awareness training,

ATV/snowmobile rider safety, are to be considered assets. Remuneration is commensurate with applicable experience. Timberline is 100% employee owned. Our organization has exciting career development opportunities and supports professional association membership and individual training.

### Application Process

Applications, including cover letter and current resume should be forwarded via email to [jobs@timberline.ca](mailto:jobs@timberline.ca) Please feel free to visit our website: [www.timberline.ca](http://www.timberline.ca). All candidates must be eligible to work in Canada. We thank all applicants for their interest. Only those selected for further consideration will be contacted.
