

AREA PLANNER

WFP is currently seeking an Area Planner to join our Holberg Forest Operation located approximately 45 minutes west of Port Hardy. Port Hardy, a welcoming community of just under 5,000 people is at the northern end of beautiful Vancouver Island and the gateway to Cape Scott Provincial Park. Found in the heart of a wilderness paradise Port Hardy is brimming over with recreational opportunities for kayakers, bird watchers, canoeists, cyclists, divers, hikers, hunters, and fresh or salt water sports fishers.

QUALIFICATIONS & REQUIREMENTS:

Reporting to the Operations Planner, this full time position will be a critical role in Holberg's Planning Department. Key functions of an Area Planner include, but are not limited to the following abilities:

- Provide leadership in safety and stewardship for members in the Planning Department
- Complete and manage budgets, contributing to timber development for an annual cut of 500,000 M3
- Block development planning, Timber sort and block margin forecasting
- Contractor and staff supervision (layout, cruising, terrain, bridge designs, post harvest assessments, etc.)
- Liaison with First Nations
- Work in collaboration with other Planning team members to complete road permit and cutting permit applications
- Maintenance and deactivation plans preparation
- Complete harvest instructions, road instructions
- Maintain a dynamic working team environment, complete with sharing of information, ideas, creativity and support for challenging the status quo
- Provide leadership in meeting WFP's EMS and sustainable forest management responsibilities
- Ensure that all team members conduct themselves professionally, ethically and treat all individuals and organizations with respect
- Proven ability to work in a team environment with good communication skills
- Extraordinary personal standards and expectations
- Must have a degree or diploma in forestry from a recognized post-secondary institution and be a registered (RPF, RFT) in good standing with the ABCFP
- Must be able to withstand the demands of coastal field work
- Experience with CENFOR (GENUS), ROAD ENG, Forest Ops, Plant Wizard and Survey Wizard would be considered an asset.
