

A&A Trading Ltd.

Career Opportunity – Operations Engineer

Campbell River, BC.

Ready for More Responsibility?

This role is built for the forestry professional who is ready to move beyond simply executing projects and wants to become a future operational leader.

A&A Trading Ltd. is seeking an Operations Engineer to join our growing Operations Group.

You'll work on real projects, solve real problems, and gain exposure to every aspect of our business—from forestry development and road construction to harvesting operations, stakeholder relations, and tenure management. If you're ambitious and looking for a company that invests in people, this may be the opportunity you've been waiting for.

THE OPPORTUNITY

You'll be involved in the planning, development, and execution of forestry projects across coastal British Columbia.

Responsibilities include:

- Coordinating forestry development projects
- Supporting harvesting and road-building activities
- Working with contractors, Indigenous partners, regulators, and operational teams
- Managing schedules, costs, and project performance
- Participating in permitting and stakeholder engagement processes
- Contributing to long-term operational planning
- Supporting continuous improvement initiatives

THE IDEAL CANDIDATE

You are someone who:

- Has at least 5 years of coastal forestry experience
- Wants to broaden your operational experience
- Enjoys problem solving and decision making
- Thrives in a fast-paced environment
- Takes ownership of your work
- Has the ambition to continue progressing professionally

Registration as an RPF or RFT (or eligibility for registration) is required.

WHY A&A?

Many companies talk about professional growth. At A&A, you'll work directly with experienced forestry leaders, gain broad operational exposure, and have the opportunity to advance based on your performance and initiative, not simply your tenure.

If you're looking for a role that can accelerate your forestry career, we'd like to talk to you.

Base Salary: \$85,000 – \$110,000 annually, plus Bonus, RRSP Matching & Comprehensive Benefits.

Compensation will be commensurate with qualifications and experience.
