APICAL FORESTRY

Forestry Field Technician

Winter 2027 Positions

We’re a Grande Prairie based company offering a wide range of forestry and ecological services throughout Alberta. As a leader in the silviculture and reforestation industry, we take pride in the quality of our work and the lasting relationships we've built with our clients. Our success is rooted in our dedication to our team and our unwavering commitment to workplace safety.

WHAT THE JOB LOOKS LIKE

Large-scale forest inventory data collection

Measuring research projects such as Tree Improvement Progeny Sites, Regenerated Lodgepole Pine, Realized Gain Trials, and Permanent Sample Plots.

- A safety-conscious attitude
- Enjoys working outdoors
- Enrolled in or graduated from a forestry, natural resource, or environmental program
- Basic training in forestry measurements
- ATV experience
- Experience driving on forestry roads and a full unrestricted driving license
- Strong teamwork skills and positive attitude
- Initiative and attention to detail
- Problem-solving skills
- Willingness to learn new things and be adaptable
- Must provide personal field gear - boots, cruiser vest, rain gear and workwear
