

Atlas Information Management is a well-established, full-phase forest consulting company that has been providing forestry services to government and industry for 25 years. Atlas operates from offices in Kamloops and Nelson, and has field operations in the Fraser Valley, Pitt Lake, and the Cariboo. Learn more about us at [www.atlas-info.com](http://www.atlas-info.com).

We are currently looking for a full-time experienced GIS Technician / Forestry Assistant to work from our Kamloops office. Although GIS is the primary focus of the position, it may include assisting forestry professionals with various operational tasks depending on the candidate's experience. The preferred candidate is a knowledgeable GIS user, with a diverse background and flexible skillset with respect to operational forestry (timber development, timber cruising, and silviculture), who is looking to join an experienced team of professionals and to take their career to the next level.

### **GIS Technician / Forestry Assistant**

#### **GIS Technician Qualifications:**

- Post-secondary degree or diploma in GIS or related fields,
- three (3) years of current and relevant work experience with:
  - ESRI ArcGIS products
  - LRM or CENGEA
  - GPS data correction and integration
  - Operational and Development mapping for the forest industry
  - RESULTS / FTA / RRS Submissions,
- experience with Geotechnical and Hydrological GIS mapping / analysis,
- working knowledge of LiDAR applications and RoadEng is considered an asset,
- background in forest development and silviculture is considered an asset,
- a strong work ethic and the ability to work with limited direct supervision;

#### **Additional Example Forestry Assistant Qualifications:**

- Post-secondary degree or diploma in forestry or related fields,
- experience in timber development field and office activities,
- experience in timber cruising,
- experience in silviculture surveys,
- registration with the ABCFP as an RPF, RFT, FIT or TFT will be considered an asset.

This position offers the possibility of a work from home environment without the need for relocation for the right candidate.

We offer competitive wages and benefits packages, flexible hours, and a great friendly work environment. Relocation expenses negotiable.

**Application:** Please apply in confidence by e-mailing your resume and cover letter with the subject header "GIS Tech / Forestry Assistant Resume" to [rob@atlas-info.com](mailto:rob@atlas-info.com), attention: Rob Kitamura.

The position is open until filled with work beginning immediately. We would like to thank all applicants for their interest in the above position however, only those considered for an interview will be contacted.
