Ministry of Forests, Lands, Natural Resource Operations and Rural Development
Prince George

Forest Establishment Planner
$65,367.78 - $81,773.78 annually

This position is also posted as an STO through REQ66675
This position is located in Prince George, however other locations may be considered based on operational requirements and availability.

Make a difference in this rewarding career opportunity

This position is responsible for providing strategic and operational planning expertise and input for the development and implementation of silviculture strategies to organize and prioritize reforestation work to improve short and long term timber supply. This position also pays a critical role in supporting the development and implementation of strategic plans and ensuring linkages between silviculture strategies, related program initiatives and field practices. The primary focus will be the Forests For Tomorrow program in northern BC and elsewhere as required.

The BC Public Service offers a healthy work/life balance, excellent benefits, including one of the best pension plans available, and a variety of opportunities for career learning and development. To find out more, explore What the BC Public Service offers You.

The BC Public Service is committed to creating a diverse workplace to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

Qualifications for this role include:

- Registered, or immediately eligible for registration, as a Registered Professional Forester with the British Columbia Association of Forest Professionals.
- A minimum 4 years' forestry experience, preferably in the fields of silviculture planning and operations, with 5 years' forestry experience being preferred.
- Experience in project management or an equivalent combination of training and experience.
- Experience managing multiple projects or leading a component (e.g., sub-project) of a major project or regional initiative.
- Experience in coordinating project teams.
- Experience managing relationships with senior level stakeholders.
- Valid B.C. driver's license.
