ABOUT BLACKBROOK CONSULTING

Based in Horsefly, BC, BlackBrook Consulting is a small family-owned business that provides professional forestry consulting and field services to clients and communities throughout the Cariboo Region. Our work spans planning and development, silviculture, ecological assessments, wildfire risk reduction, and prescribed fire. We are committed to responsible stewardship of the land, professional integrity, and lasting client relationships.

THE OPPORTUNITY

We're looking for a dependable, motivated individual who shares our passion for forestry and responsible land management. You'll gain practical field experience, work alongside forestry professionals, and build skills that support your career in the field of forestry.

KEY RESPONSIBILITIES (dependent on position/qualifications)

- Cutblock and road design, layout and GPSing.
- Site Plan Data Collection.
- FRPA, FPPR, FSP compliance field assessments and reporting.
- Drafting and/or completion of Site Plan documents.
- Cutting permit appraisals and applications.
- Silviculture surveys, reporting and submissions.
- Tree Planting Implementation.
- Wildfire risk reduction post-treatment assessments.

QUALIFICATIONS

- Registered Professional Forester or Registered Forest Technologist with the Forest Professionals of BC, or;
- Currently enrolled or eligible to enroll as a FIT/ ASFIT/TFT/ASTFT
- Good communication skills and the ability to work effectively as part of a team.
- Able to compile and analyze data and prepare reports for clients.
- Previous field experience is an asset.
- Experience operating an ATV is an asset.
- Valid BC driver's license.
- Basic First Aid certification preferred.
- Willingness to work outdoors in challenging terrain and changing weather conditions.

WHAT WE OFFER

- Competitive hourly pay of $28 - $42, depending on position, experience, qualifications and registration with the FPBC.
- Support with professional development.
- Health and Benefit plan.
- Annual FPBC registration dues compensation.
- A positive, motivated, and supportive team culture.
- Hands-on experience across a range of forestry and natural resource projects.
