BLACKBROOK CONSULTING

NOW HIRING

# SUMMER STUDENT

| TERM | PAY | LOCATION |
|---|---|---|
| **May – September 2027** | **$20–$28 per hour** | **Williams Lake, BC** |
| Start and end dates flexible | Competitive hourly wage | Projects across the Cariboo Region |

## ABOUT BLACKBROOK CONSULTING

Based in Horsefly, BC, BlackBrook Consulting is a small family owned business that provides professional forestry consulting and field services to clients and communities throughout the Cariboo Region. Our work spans planning and development, silviculture, ecological assessments, wildfire risk reduction, and prescribed fire. We are committed to responsible stewardship of the land, professional integrity, and lasting client relationships.

## THE OPPORTUNITY

We're looking for a dependable, motivated Summer Student who shares our passion for forestry and responsible land management. You'll gain practical field experience, work alongside forestry professionals, and build skills that support your education and future career.

## KEY RESPONSIBILITIES

- Assist with cutblock and road layout, GPS data collection, and stream and stand assessments.
- Collect and compile silviculture survey data.
- Collect field data to support wildfire risk reduction treatment assessments.
- Assist with reforestation activities, including planting implementation, layout, and quality-assessment plot data collection.
- Organize, prepare, and maintain field gear and equipment.

## QUALIFICATIONS

- Currently enrolled in a forestry, natural resource, or related post-secondary program; equivalent education or experience will also be considered.
- Good communication skills and the ability to work effectively as part of a team.
- Previous field experience is an asset.
- Experience operating an ATV is an asset.
- Valid BC driver's licence.
- Basic First Aid certification preferred.
- Willingness to work outdoors in challenging terrain and changing weather conditions.

## WHAT WE OFFER

- Competitive hourly pay of $20–$28, depending on experience and qualifications.
- A personal development plan to help support your learning and professional goals.
- A positive, motivated, and supportive team culture.
- Hands-on experience across a range of forestry and natural resource projects.
