

CABIN

Do you enjoy working independently, have a few years of experience working in Forestry, and love working outdoors? If all those things apply to you, then we would love to hear from you!

Cabin Resources Management has built a foundation of experience and dedication to quality and innovative solutions in four main divisions: forestry, environmental operations, recreation solutions and wildfire management. We are currently looking to add a **Senior Forest Technician** to our Forestry team.

SENIOR TECHNICIAN

YOU WILL BE RESPONSIBLE FOR THE FOLLOWING:

- » Leading the planning and layout of road and harvest systems
- » Lead all aspects of data management in the field and office
- » Ensure legal, regulatory and client specific requirements are met with deliverables
- » Supervision in the field and training new crew members

WHAT WE ARE LOOKING FOR:

- » An above and beyond commitment to safety
- » Education in forestry field with a Forestry Tech Diploma or Bachelors Degree
- » Registered or eligible for registration with ABCFP as RPF or RFT
- » Experience with road and cutblock layout (minimum 4 years), timber reconnaissance and field crew supervision
- » Experience utilizing LiDAR data for planning and locating roads and cutblocks
- » A firm understanding of forest policy, guidelines and BC's regulations
- » Experience in cable layout and analysis, Road design, SP data collection, Site Plan and Harvest Plan drafting, riparian assessments, forest health, surveys and wildfire management

FORESTRY DIVISION

If you are interested in a Forestry Division position, please apply here:

<https://cabinforestry.bamboohr.com/jobs/>

All submissions will be treated in strict confidence.

WHY WORK WITH US

Well, mostly because we are so awesome.

In all seriousness, we work in the best parts of the province – Okanagan, Boundary, Cariboo and West Kootenays. We do a diverse range of work – timber development, wildfire and rec trails, and we started a cool new company that flies drones. Most importantly, and top of our list, we foster a culture of success, innovation and respect. Please contact us if you have the skills listed in any of the sections.

HELLO

How are you? We are super, thanks for asking. We love resource management and value success, respect and innovation above all else. If you like these sorts of things, then we will get along just fine.

WHAT WE OFFER

- » A positive, dynamic and inclusive work environment for everyone
- » Wage and biannual profit share based on experience, competency and length of service
- » Per diem for out-of-town shifts
- » Boot allowance, training and professional development allowance, extended medical and dental, RRSP contributions
- » Flexible holidays and 20 cm snow rule for winter shredding
- » The chance to work with an awesome team and work in the outdoors

Cabin is committed to LGBTQ+ inclusion in the workplace by creating a diverse and inclusive work environment for everyone. Cabin is also proud to provide professional services which support the rights and title of First Nations, and be active partners in reconciliation in all our work.

Whether you are looking for a full time career or a seasonal position, apply today, or contact our HR Coordinator at nelsasser@cabinworks.ca for more information.

We thank all candidates for their interest; however, only those selected for an interview will be contacted.
