

**CAPACITY FOREST MANAGEMENT LTD.**  
*Working with First Nations*

## Forester – Campbell River, BC

Are you ready to expand your career? We are currently recruiting for a Planning and Operations Forester that will work with our team of professionals. The Forester's responsibilities will encompass all timber development activities including implementation and administration of Forest Stewardship Plans, reporting to our Forestry Manager with silviculture liability budgeting and providing supervision and business development services for our First Nation client's forest tenures.

Capacity Forest Management is a specialized forest consulting company that manages several BC Coastal and Interior First Nations forest tenures where we offer full phase forest tenure management and professional forestry services. As a Planning & Operations Forester you will enjoy a balanced mix of field and office work while working for our First Nation clients.

### QUALIFICATIONS:

The following qualifications are considered necessary to effectively undertake this position with Capacity Forest Management Ltd:

- A Registered Professional Forester (RPF), with the association of BC Forest Professionals (ABCFP);
- +5 years of related forestry experience;
- Familiarity with the legislation and regulations governing forest practices in BC;
- Background in forestry planning, engineering and silviculture operations;
- Competent with basic computer applications with a working knowledge of RESULTS, FSP tracking, PHOENIX, and ESF;
- Working knowledge of contract preparation and implementation;
- Excellent interpersonal and communication skills, self-directed, motivated with the ability to organize & direct projects;
- Committed to safety, strong work ethic, positive team attitude and strong ability to prioritize and develop timelines to fit clients demands;
- Preparing forestry budgets and silviculture accruals;
- Provide liaison and maintaining relationships with various First Nations, government agencies, and special interest groups;
- Ability to assist in the preparation and review of Forest Stewardship Planning, cutting permit applications, site plans, and logging plans and other projects required to meet the company's production objectives.

At Capacity Forest Management, we are looking for individuals who are interested in career advancement with progression through various aspects of our business. We offer a competitive compensation package, excellent benefits with a stable work environment.

### APPLICATIONS:

Please apply in confidence, by e-mailing your resume and cover letter to [info@capfor.ca](mailto:info@capfor.ca) with Forester Resume as the subject line.

**Applications will be accepted until positions are filled.**

Capacity Forest Management Ltd. thanks all those who apply for the position; however, only those selected for interviews will be contacted. Applicants with lesser experience may be offered a different position. **Only Canadian residents need apply.**
