Are you ready to expand your career? We are currently recruiting for Operational Engineer/Planner to provide planning, engineering, leadership and supervision services for our First Nation clients. This posting is a senior level position and we will provide training opportunities for permit applications, appraisals, and logging management for the right applicants.

THE FIRM:
Capacity Forest Management Ltd. is a Campbell River based forest management company specializing in the management of First Nations Forest Tenures. We are different from other consulting companies as we offer full phase forest tenure management and professional forestry services including: negotiating tenure agreements, operational planning, engineering, permitting, mapping/GIS, logging supervision, planting, and stand tending through to free to grow.

QUALIFICATIONS:
Capacity Forest Management Ltd. is seeking individuals preferably registered with the ABCFP as a Registered Forest Technologist (RFT) or a Registered Professional Forester (RPF).

OPERATIONAL ENGINEER/PLANNER - A minimum of +5 years of experience as an interior engineering/planner is preferred. As a successful candidate for this position, you will possess strong communication & leadership skills as well as, a proven track record in all aspects of lay-out, planning, permit applications, appraisal aspects, budgeting, operational processes and supervisory skills. Must hold a valid BC driver’s license. Experience working in the Nadina, Skeena & Morice Districts is a plus.

The area of work includes the Babine Lake area, with possible travel to other areas throughout Coastal BC, Southern Okanagan, and northern interior. Shift work may be involved. As an integral part of the engineering team, you will be vital to the expansion of the company’s business. Experience in working with First Nations are an asset. This position will be a very dynamic and growth oriented role. Capacity offers a competitive salary and excellent benefits package based on experience as well as a flexible family friendly atmosphere.

APPLICATIONS:
Please apply for either position by e-mailing your resume and cover letter to MikeBeck@capfor.ca with Operational Engineer as the subject line.

Applications will be accepted until positions are filled.

Capacity Forest Management Ltd. thanks all those who apply for the position; however, only those selected for interviews will be contacted. Applicants with lesser experience may be offered a different position. Only Canadian residents need apply.
