

Cariboo Forest Consultants Ltd.

841 Elm Street Quesnel, BC V2J 7J8 250-747-4382

Resource Management Consultants

Cariboo Forest Consultants Ltd is a well-established Forestry Consultants company located in Quesnel, BC. We have been providing Professional Experienced Consulting Services since 1980. Our clients include Major Licensees, woodlots, BCTS, First Nations, Mining OLTC applications and other resource-focused organizations.

Our expanded services include Management Plans, Appraisals, Multi-phase layout, Timber Block & Road Layout, Stream Assessments, Cruising, Mapping, GPS, Electronic Submissions and other related tasks.

Qualifications:

- We are currently looking for year-round Full time field employees with experience in forestry
- A forestry diploma will be considered an asset
- 3 plus years' field experience in multi-phase layout will be considered an asset.
- The ability to work alone or with limited supervision will be considered an asset
- Registration with FPBC as an Accredited Timber Cruiser (ATC) cruiser will be considered an asset
- Experience in block report writing will be considered an asset
- Valid Class 5 driver's license with a clean abstract required
- Trailering all-terrain vehicles will be considered an asset

Wages: We offer competitive wages with a Benefit package after 3 months. Pay will be commensurate with experience and qualifications (starting at \$253/day).

Work shifts: A Monday to Friday work week with weekends off, 10hrs/day field, 9hrs/day office.

Occasional Camp work is possible with a camp stipend included.

It needs to be understood that this is a physically demanding job which includes walking uneven terrain daily, operating sleds and quads and dealing with changing weather conditions.

If you are interested in a position working for CFC and would like to send a Resume please email Michael McKinnon at mmckinnon@cfcbc.com. Only applicants whose resumes who meet the expected qualifications will be contacted for a follow up interview.
