

## Planning Forester

Carson Integrated is a well-respected consulting firm of natural resource management professionals that provides environmental, forestry, and GIS consulting services to clients in the Electrical Utility, Upstream Oil & Gas, Pipeline, Sand & Gravel, and Forest industries throughout Alberta. Our diverse client base provides distinct opportunities, exceptional challenges, and a work environment rich in variety. Carson Integrated provides flexible working arrangements, combined with an above average compensation and benefits package. Additional information can be obtained on our website at [www.carsonintegrated.com](http://www.carsonintegrated.com)

We are currently looking for a **Planning Forester** to join our growing team. This position will be based out of our downtown Edmonton office, with some travel requirements to client work sites.

### Key responsibilities will include:

- Development of timber harvest and access planning
- PSP/TSP program coordination
- Supervision of forestry crews across multiple forestry related projects
- Ensuring that personal and crew safety is a priority
- Liaison with clients, government, First Nations, Trappers, oil and gas operators, and other stakeholders
- Managing field data
- Quality assurance/quality control

### Experience and skill set requirements:

- A college diploma or university degree in Forestry
- Alberta RPF or RPFT designation
- RPF designation in BC is an asset
- 3+ years of forestry planning experience
- Demonstrated competency and leadership capacity in health and safety
- Minimum of 3 years of supervisory experience
- GIS skills with experience using ESRI ArcGIS products
- Superior working knowledge of forestry policy, regulations, and legislation in Alberta
- Excellent organizational and analytical skills
- Solid communication skills

Carson Integrated is committed to developing our people by providing ongoing training opportunities and rewarding performance that exceeds expectations. We provide our employees with a progressive work environment, encouraging an entrepreneurial approach to business coupled with the opportunity for success. At Carson Integrated, our people are part of a larger team of diverse professionals committed to excellence.

To join our team, send a cover letter and resume to [jobs@carsonintegrated.com](mailto:jobs@carsonintegrated.com) by July 5, 2019.

*We thank all candidates for their application; however, only candidates selected for an interview will be contacted*
