---

Central Interior Mapping Co. Ltd is a well-established forestry management company based in Quesnel B.C. For more than 27 years we have been providing professional timber and silviculture services to our clients and are looking for self-motivated and enthusiastic people to join our knowledgeable staff. Currently, we are seeking Silviculture and Forestry Technicians and Assistants.

## **Silviculture Surveyor**

Duties may include:

- Field surveys for stocking, free growing and walk through assessments
- Survey Planning
- Planting Implementation
- Detailed Site Assessments
- Silviculture Prescription data gathering and summation
- Other general field and office duties as skills and experience dictate

## **Forest Technician**

Duties may include:

- Timber reconnaissance and planning,
- Timber cruising,
- Road and cutblock layout, associated stream and riparian assessments
- SP data collection,
- GPS traversing of roads and cut block boundaries which includes a familiar working knowledge of the hardware and software associated with GPS traversing
- Office reports and prescriptions

**Note: A combination of the above, with timber and silviculture experience is an asset.**

## **General Qualifications**

- Must follow our company health and safety policies
- Valid Class five driver's license with a clean driver's abstract
- Must be physically fit and be prepared to work outdoors in variable weather conditions
- Clear and legible handwriting and note taking, strong written and verbal communication skills and a sound attention to detail
- Familiarity with handheld data collectors and associated software
- Accreditation as a silviculture surveyor is an asset
- The ideal candidate will have post-secondary education in Forestry or a related field, as well as registration with the ABCFP as a RFT or FIT, or multiple years of field experience in the above.
- **Due to COVID-19, out of province applicants may have to self-isolate for 14 days prior to commencing work and provide a 14 day self-monitoring form.**
