

Building a premier next generation forest company.

Conifex Inc. — through astute strategic acquisitions and strong leadership is emerging as a major player in the forestry, sawmilling, and biomass power industry. We value our people and take pride in our successes. Operationally, our approach is to blend technology with the expertise of committed, creative, excellence-oriented people.

PLANNING FORESTER

CONSIDER THE LIFESTYLE

Mackenzie British Columbia offers a warm and welcoming Northern community with outstanding four season outdoor recreational activities, including fishing, hunting, an extensive all season trail systems, nearby ski hill, and recreational centre with pool and arena. A safe and secure family focused community, with excellent home affordability, modern schools, activity centers, and health facilities on your doorstep.

Investing in our People - Building Our Team

DUTIES:

- Accountable for ensuring Conifex's interests are coordinated and managed to maximize the benefits accrued through our existing tenure
- Operational Cut Block Planning and Permitting (including tenure management, cut control, and license management)
- Landscape level planning (chart areas, planning cells, total chance planning)
- Implementation of GAR orders: Fisheries Sensitive Watersheds, Wildlife Habitat areas, Species at Risk, Landscape Biodiversity
- Engaging and developing relationships with key stakeholders and suppliers. These include: Contract suppliers, Communities, Local government agencies, Other forest licensees, Non-timber tenure holders
- Fostering and strengthening relationships with the key First Nations whose territories overlap Conifex operating areas
- Developing engagement strategies to deliver on the value of existing agreements
- Identifying opportunities to engage with First Nations where we currently do not have agreements and implementing plans to reach partnership or other business arrangements

QUALIFICATIONS AND REQUIREMENTS:

- University Degree or Technical Diploma in Forestry or Natural Resource Management. RPF, RFT
- Minimum 5 years' experience across a spectrum of forestry work including cruising, planning, harvesting and silviculture would be considered an asset
- Registered as a forestry professional with the Association of British Columbia Forest Professionals
- Demonstrates a sense of urgency and ability to meet deadlines
- Strong work ethic and love of the outdoors
- Excellent leadership and communication skills, project management skills, and an ability to work within a team environment
- Ability to build partnerships with First Nations and stakeholders, and foster trust
- Knowledge of applicable BC legislation and policies
- Self-motivated team player with ability to communicate verbally and in writing
- Strong computer skills and aptitude for forestry-based technologies

We are building our team at Conifex. We value honesty, hard work, accountability, respect, trust, and safety. Just as we are investing in our mills we are investing in our people. Conifex offers respectable training as well as development opportunities.

Applicants will be accepted until the position has been successfully filled.

To apply please visit our website www.conifex.com and apply through the "Opportunities" tab.
