

Forestry Assistant

(Mackenzie, BC)

POSITION IS BASED IN MACKENZIE, BC

Building a premier next generation forest company.

Conifex Inc. — through astute strategic acquisitions and strong leadership is emerging as a major player in the forestry, sawmilling, and biomass power industry. We value our people and take pride in our successes. Operationally, our approach is to blend technology with the expertise of committed, creative, excellence-oriented people.

CONSIDER THE LIFESTYLE

Mackenzie British Columbia offers a warm and welcoming Northern community with outstanding four season outdoor recreational activities, including fishing, hunting, an extensive all season trail systems, nearby ski hill, and recreational centre with pool and arena. A safe and secure family focused community, with excellent home affordability, modern schools, activity centers, and health facilities on your doorstep.

Investing in our People - Building our Team

As an integral part of the Fibre Team, the Forestry Assistant is responsible for assisting in Conifex's planning and development programs. Forestry Assistants will gain experience in a variety of field and office-related activities, including block and road reconnaissance and layout, riparian assessments, wildlife assessments, map creation using ArcGIS, and data management.

Key Responsibilities

- Opportunity to be exposed to a variety of field-based forestry activities
- Conifex supports our employees with professional development opportunities
- Assist with block and road layout, including GPS-traverse
- Assist with riparian and wildlife assessments
- Responsible for field data collection and management
- Assist with components of Cutting Permit and Road Permit submissions
- May assist with timber cruise reviews and check cruise requests
- Assist the Harvesting Team in the field by completing logging and road building supervision, log quality checks, environmental compliance assessments, deactivation prescription and monitoring, and contractor compliance inspections within safe operating procedures.
- Assist the Harvesting Team in the development of harvest plans and pre-works, harvest and haul rates, log forecasts, and other relevant tasks to aid in the achievement of objectives.

- Other duties as assigned and depending on interest, including some aspects of Purchase wood, Biomass, Planning, and Silviculture.

Here is what we are looking for:

- Applicants with any level of working forestry experience are encouraged to apply.
- Degree or Diploma in Forestry or related field, and be an RPF, RFT, or be eligible to enroll with the Forest Professionals of British Columbia
- A valid BC driver's license
- OFA Level 1 (can be acquired upon employment)

Here is what we offer:

- The salary range for this position is between \$55,000-\$70,000.
- Comprehensive health benefit package, including an annual health spending allowance.
- A wide range of career and professional development and training opportunities
- Flexible work hours
- A future which is supported by a robust timber supply

The chance to live and work in an active and growing community offering the best aspects of small town life with a wide range of amenities, including superb outdoor recreational opportunities of all types, a recreational center (pool and arena), extensive all season trail systems, golf course, hospital, and nearby ski hill (Power King); all within a 2 hour drive of the city of Prince George, the University of Northern B.C, and an international airport

To apply please email opportunities@conifex.com directly or visit our website www.conifex.com and apply through the "Opportunities" tab.
