(Mackenzie, BC)

**POSITION IS BASED IN MACKENZIE, BC NOT A REMOTE ROLE**

## **Building a premier next generation forest company.**

Conifex Inc. — through astute strategic acquisitions and strong leadership is emerging as a major player in the forestry, sawmilling, and biomass power industry. We value our people and take pride in our successes. Operationally, our approach is to blend technology with the expertise of committed, creative, excellence-oriented people.

## **CONSIDER THE LIFESTYLE**

Mackenzie British Columbia offers a warm and welcoming Northern community with outstanding four season outdoor recreational activities, including fishing, hunting, an extensive all season trail systems, nearby ski hill, and recreational centre with pool and arena. A safe and secure family focused community, with excellent home affordability, modern schools, activity centers, and health facilities on your doorstep.

## **Investing in our People - Building our Team**

This is a unique opportunity for someone with the drive and interest to work in the forest industry but with limited experience to be given the opportunity to excel in a supervisor position.

In this position, the harvesting assistant will work alongside and be trained by members of an experienced staff and will be exposed to many aspects of the forest industry, both in the office and field. Beginning with cut-block development, but primarily including road construction, bridge installation, harvesting, hauling, and post-harvest assessments at our operations in Mackenzie. Also, if applicable, you will be given a sponsor and the opportunity to work towards achieving your designation with the ABCFP.

## **Key Responsibilities:**

- Assist the Harvesting Team in the field by completing logging and road building supervision, log quality checks, environmental compliance assessments, deactivation prescription and monitoring, and contractor compliance inspections within safe operating procedures.

- Assist the Harvesting Team in the development of harvest plans and pre-works, harvest and haul rates, log forecasts, and other relevant tasks to aid in the achievement of objectives.
- Other duties as assigned and depending on interest, including some aspects of Purchase wood, Biomass, Planning, and Silviculture.

**Here is what we are looking for:**

- Applicants with any level of working forestry experience are encouraged to apply.
- Degree or Diploma in Forestry or related field, and be an RPF, RFT, or be eligible to enroll with the Forest Professionals of British Columbia
- A valid BC driver's license
- OFA Level 1 (can be acquired upon employment)

**Here is what we offer:**

- The salary range for this position is between \$55,000-\$70,000.
- Comprehensive health benefit package, including an annual health spending allowance.
- A wide range of career and professional development and training opportunities
- Flexible work hours
- A future which is supported by a robust timber supply

Applicants will be accepted until the position has been successfully filled.
