

Fibre Supply Manager

Location: Vancouver Island

Company: Delta Timber Ltd

Job Type: Full-time

Compensation: \$95-\$125K/year

Benefits: Extended Health and Dental plan

Who We Are:

DELTA TIMBER, Delta Forestry Group's timber marketing division is actively seeking a highly motivated Full-Time Fibre Supply Manager. Delta Forestry Group is a privately held group of companies with a long history of consistent operations on the BC Coast. We place a large emphasis on quality, value, development, and stability for its customers and employees. We have a highly skilled long-term workforce that produces high-value products while achieving maximum product recovery and are always looking for new additions to our team.

Job Summary:

As a Fibre Supply Manager, you will support the General Manager of Fibre Supply in accomplishing supply management objectives related to log procurement and marketing across coastal British Columbia. To achieve these objectives, you will manage purchase contracts, develop timber estimates and bids, coordinate and oversee timber harvesting and transportation services, and build and maintain strong relationships with suppliers and customers. This is a dynamic role aimed at a dedicated individual who understands the degree of responsibility, accountability and integrity this role demands.

Key Responsibilities (include, but not limited to):

- Manage log procurement for sawmill operations
- Build and maintain strong relationships with suppliers and customers
- Evaluate timber values and harvest/transportation costs
- Market domestic and export logs
- Supervise log quality at logging and scale sites
- Assist with log and boom gear inventory management

Qualifications:

- BC Scaling License is an asset
- RFT or RPF designation (or eligibility) is an asset
- Experienced with BC coastal log grades, timber cruising, log transportation is highly desired
- Strong communication and interpersonal skills
- Resourceful, adaptable, and solutions-oriented
- Highly skilled with Microsoft Office (Excel, Word, Outlook)
- Physically capable of assessing timber in forests, log yards, and booms
- Valid Class 5 BC driver's license required

Travel Requirements:

This role involves frequent travel throughout the BC coast. Travel by light truck, ferry, plane, and helicopter may be required.

Location:

The successful candidate must reside on **Vancouver Island** or be willing to relocate.

How to Apply:

If you're ready to grow your career and contribute to a well-established forestry company, we want to hear from you. Please send your resume to **info@deltaforestrygroup.com** by **Friday, August 15, 2025**.

Only those selected for interviews will be contacted.
