a division of **Dunkley Lumber Ltd.** is seeking a

highly motivated and energetic individual to join our team as a

Kiln Operator / 4th Class Power Engineer

Foothills Forest Products is a two-line softwood-lumber sawmill and planer facility that is currently undergoing optimization. Our facility is located 20 km south of the beautiful mountain community of Grande Cache, Alberta. We produce high quality lumber products that are sold across North America and in overseas markets. Please visit our website at www.dunkleylumber.com to find out more about us.

We currently have an opening for a Kiln Operator with a 4th Class Power Engineering ticket. Foothills Forest Products operates a dual-cell 40 MMBTU wood-fired boiler to heat its dry-kilns and operating facilities. In addition to the operation of this energy plant, the successful candidate will operate our kiln operations, forklifts and other mobile equipment associated with lumber inventory and kiln management and some emergency response accountabilities. We are looking for an extremely motivated, safety conscious individual to join our team.

The successful candidate will possess the following technical skills and experience:

- Must possess a valid ABSA 4th Class (or better) Power Engineer Certificate.
- Very strong commitment to Safety.
- Technical knowledge related to wood-fired thermal-oil energy plants.
- Experience in drying processes, preferably kiln drying of softwood lumber.
- Ability to operate mobile equipment (front-end loader, skid-steer, forklift).
- Ability to work 24/7/365 shift schedule, current rotation 7on/7off Days and Nights
- Must have a valid class 5 driver's license
- Extremely detail oriented with a quality/precision mindset
- Exceptional inter-personal and communication skills; cooperates with and is committed to the team.
- Strong analytical trouble shooting skills; uses data and facts in making decisions.
- Possess time management skills and can work on several priorities concurrently under time constraints.

This position offers a highly competitive wage and benefits package and rewarding opportunities to grow along with an industry-leading company.

If you possess the noted qualifications and are interested in joining our company, please submit your resume via email to:
