

Sales Manager

Cedarland Forest Products Ltd. of Maple Ridge, British Columbia is renowned for the production of first class, high quality Western Red Cedar. Since 1975, Cedarland has been manufacturing and delivering precision made products from its 55,000 square foot facility and delivery to customers worldwide.. For the full scope of Cedarland's impressive product range, production capabilities and quality standards visit the website: www.cedarland.ca.

Cedarland is offering a career growth management opportunity for someone who has already established a successful career in sawmilling; lumber remanufacturing; and/or custom cutting.

Reporting to the owner, the incumbent will be involved in various aspects of management; raw material purchasing; customer contact and export sales; and the manufacturing process.

Ideally applicants will have post-secondary education in wood products manufacturing; business; marketing or other relevant diploma/degree. Exposure to accounting and/or financial controls will be a significant asset.

Interested persons should forward resumes or for further information, please contact:
