

DIVISIONAL CONTROLLER / SENIOR ACCOUNTANT

Be part of Canada's Pacific Wonderland. Reside in welcoming and affordable seaside communities such as Duncan, Chemainus, Ladysmith or Nanaimo.

This highly diversified medium size company manufactures commodity and value-added wood products at plants on Vancouver Island and in the BC Interior; has a growing trucking business; manages a sales group that markets wood products around the world.

Reporting to the CFO, the Divisional Controller or Senior Accountant will provide financial leadership to one or more of these growing divisions. This is a hands-on environment with a let's-get-it-done attitude.

While an accounting designation is preferred, persons with years of proven experience are also encouraged to apply. Ideal, but not essential, is experience in wood products manufacturing (lumber value-added and/or panels). What is essential is a style that is respectful of others and constantly working to be part of the 'solution'.

This is a great opportunity...fabulous location providing the very best of west coast lifestyle with a quality growing employer. Relevant websites: www.hellobc.com/places-to-go/cowichan-southern-vancouver-island/; www.tourismnanaimo.com; www.ladysmith.ca; www.duncan.ca.
