

## LUMBER Q.C. SUPERVISOR – VANCOUVER ISLAND

This highly diversified company manufactures lumber, plywood and value-added wood products at plants on Vancouver Island and in the British Columbia Interior; manages one of Canada's largest wholesale wood products groups that markets forest products worldwide; and has large trucking business. Visit: [www.centurionlumber.com](http://www.centurionlumber.com).

Centurion Lumber has two lumber manufacturing facilities at Chemainus, B.C. on Vancouver Island providing exceptional quality products from both Coastal and Interior species (W.R. Cedar, Douglas Fir, Hem-Fir and SPF). An immediate opportunity is available for an experienced Quality Control Supervisor who will also handle some shipping and production supervisory duties. Candidates should have a Coastal Species Grading ticket and a history in coastal sawmilling and/or lumber reman supervision.

Between Victoria and Nanaimo, this area is considered one of Canada's best lifestyle regions with residence at sea-side locations like Chemainus, Ladysmith, Duncan and others. Learn more about this beautiful area by visiting websites; [www.visitchemainus.ca](http://www.visitchemainus.ca); [www.chemainus.com](http://www.chemainus.com); and numerous other websites on the Cowichan region.

Competitive remuneration, a full benefit program and, if applicable, relocation assistance should be expected.

Interested persons should forward resumes or for further information, please contact:
