

Sales Reps – Custom Wood Products

Swiftsure Milling and Mouldings is a leading manufacturer of custom mouldings using the highest quality hardwood, softwood and exotic species. They provide Millworkers, General Contractors, Architects and Design firms with unsurpassed quality in architectural wood moulding products and services. In addition to architectural grade mouldings, Swiftsure product line includes engineered and solid flooring; laminated specialties; interior finishing; exterior siding and soffit; tongue and groove ceiling and wall; thin sawn wood and many other precision custom wood products.

From the initial phone consultation, to site meeting, quotation presentation, product manufacturing coordination and delivery follow-up, Swiftsure customer service / sales staff are committed to providing amazing service to their customers. In line with company growth, Swiftsure has career opportunities for additional sales staff:

On-Site Sales

Following a comprehensive training program on Swiftsure products and manufacturing capabilities / processes, the On-Site Sales personnel meet the customers at their place of business or job-site to learn more about their unique requirements and deliver solutions that best fit their needs.

Inside Sales

From initial phone consultation, through to products delivery and aftermarket follow-up, their Inside Sales personnel are key to ensuring excellence in service. With on-going training you will have the confidence, knowledge and abilities to make quality decisions and recommendations.

Interested persons must have an in depth knowledge of specialty wood products with experience in retail, wholesale, or secondary manufacturing or as a millwork trades person or other relevant experience.
