

Forestry Supervisor

Location: Fort St. John or Prince George BC

**Compensation: \$30.00 - \$40.00 per hour
(commensurate with experience)**

Job Overview

The Forestry Supervisor is accountable for performing a wide variety of professional services including operational planning, cut block and forest road layout and development, planning and evaluating silviculture activities, and ensuring compliance with the plans and prescriptions. The range of duties assigned to a particular Forestry Supervisor will vary from time to time due to the geographic location, active projects and management requirements.

Accountabilities

- Ensure that all Safety policies and procedures are strictly adhered to.
- Leading timber cruising and timber investigations;
- Leading cutblock, road layout and assessments
- Leading riparian and ecosystem assessments;
- Leading data collection and entry;
- This position will require both office and fieldwork; travel is expected.
- Geoterra pays for all travel and accommodations, including per-diem, while away from home.
- Additional adhoc assistance requirements needed by the supervisor;

Provisions

- Must be willing and able to withstand the rigors of fieldwork.
- Must be willing to work in adverse weather conditions.
- Must be willing and able to travel to meet job requirements.
- Must be willing and able to travel in fixed and or rotary winged aircraft and or watercraft.
- Must be able to maintain membership with the FPBC as a member in good standing.

Qualifications

- Post-secondary education in a natural resource field.

Qualifications

- Registered or able to register with the Association of BC Forest Professionals (RPF, RFT).
- Positive attitude, highly organized, with a proven ability to provide supervision and mentor junior staff members.
- Minimum of 3 years experience in the forest industry.
- Specific experience with forest development activities such as block layout (ground based and cable), timber cruising, ecological data collection and riparian classification.
- Valid BC driver's license.
- Working knowledge of the BC tenure and appraisal system.
- Provide a Negative 12 Panel Drug and Alcohol pre employment test.
- Provide a Drivers Abstract with no major infractions.

Job Highlights

- Competitive Compensation, based on experience
- Comprehensive Benefits: Extended health and dental benefits for you and your family
- Travel & Per Diem: Paid travel expenses, accommodations, and daily per diem for field assignments
- Professional Growth: Support for training, certifications, and payment of professional dues
- Diverse Work: Office and field-based work across a range of project types and client profiles
- Team Environment: Join a positive, safety-focused team that values integrity and innovation in forestry
