

Forestry Technician

Location: Prince George, Fort St. John or Fort Nelson, British Columbia

Salary: \$25 - \$30 per hour (commensurate with experience)

Position Type: Full Time, Permanent

Apply: www.ccisolutions.ca/careers

Company Overview

Geoterra Integrated Resource Systems Ltd. is a leading consulting firm based in British Columbia that specializes in forestry, environmental, and natural resource services. We pride ourselves on delivering high-quality, safe, and practical solutions across the province. Our reputation is built on collaboration, technical expertise, and strong Indigenous partnerships. At Geoterra, we offer a positive and professional work environment with meaningful career growth and development opportunities.

Position Overview

As a Forestry Technician, you will be challenged with the strength and endurance required to work in the field under harsh environmental conditions to collect field data that varies depending on project/industry objectives. You will also be tasked with the responsibility of performing office duties in the form of data compilation, interpretation, and report writing. In this role, you will be given the guidance and tools to learn new skills and concepts to further your career objectives. You are the right fit for this position if you are open to learning multi-disciplinary skills in the natural resource industry.

CCI Core Values
