

Forestry Technician – Northern British Columbia – Mackenzie Division

KDL Resource Management offers Forestry and other consulting services based out of the northern region of British Columbia. Our clients include Government, Industry, and Indigenous clients in forestry and other natural resource sectors. We aim to offer a challenging and rewarding career experience in a respectful, safe, and healthy work environment.

Position Summary:

We are looking to fill a full-time field position that is field based and hands-on with limited office work. The successful candidate will assist our current team of professionals with carrying out a broad array of forestry services.

Note: the KDL Forestry work projects are located throughout northern BC and may require camp shifts.

Duties may include (but are not limited to):

- Road and block layout
- GPS traversing
- Riparian classification
- Stream classification
- Timber reconnaissance
- Timber cruising
- Ecological Data collection
- Field crew training and supervision

Qualifications

- Valid class 5 driver's license required
- 2 years plus of previous experience in related work
- Post-Secondary education in the natural sciences and/or technical forestry is preferred
- Registration with the ABCFP is an asset
- Good organizational and time management skills
- Willingness to travel and work in an outdoor environment in remote locations
- Able to work cooperatively in a team, but also independently with little supervision
- Physically fit to endure the rigors of full-time fieldwork in all conditions
- Safe work mindset is required

Benefits/Perks

- Full Time work in a Safe Work Environment
- Competitive Total Compensation Package
- On-going Professional Mentoring and Training
- Working in a larger professional group with exposure to a broader forestry and operational logging context
- Diverse range of Industrial, Indigenous, Government, and bio-energy sector clients
- Progressive and innovative company

Location Perks

For those who love to live and play where they work –The Mackenzie regions offer a bounty of recreational activities including fishing, hunting, hiking, biking, running, skating, snowshoeing, cross-county skiing, downhill skiing, curling, ATV, snowmobile, horseback riding, boating, camping, music/art festivals and more!
