

FORESTER TECHNICIAN

J.M. Longyear, LLC with headquarters in Marquette, MI, is a privately held, asset manager with a 145-year track record of growing long-term value. We operate across a spectrum of markets including forestry and land management, real estate, hardwood products and manufacturing.

We are seeking a Forester Technician to assist with forestry management of our Bancroft, Ontario lands. Duties include timber sale prep including tree mark and boundary line running, harvest operations oversight, road layout & construction, environmental compliance. Requirements: 2-year forestry diploma; GPS, GIS, Microsoft Office; excellent communication, people, organizational & team skills. Log Scaling Certification preferred. Considerable travel, good driving history necessary.

JML offers a competitive benefit package. Qualified applicants send resume to applicant@jmlongyear.com
