

If you are interested in BC Wildfire Danger Tree Assessment and Falling work we expect a severe fire season from June 15 to September 30.

Everyone can email their interest to [admin@techtree.ca](mailto:admin@techtree.ca)

Must haves: GST #, WorkSafe account, and proof of certification.

Danger Tree Assessor -The wildfire module is a big boost for applicants. + OFA3 rate premium.

Pay is to be negotiated on a case-by-case basis, with the highest pay going to those who have the most credentials and/or the most experience.

We will pay in line or better than all other service providers and provide the required s100/s185 certification and a wildfire contractor gear package as part of our on-boarding.

We are based out of Nanaimo and Prince George however, this is a province wide posting.

Get set up to succeed, apply now!

*This is a time sensitive posting.*
