About Mosaic

Mosaic Forest Management is a Canadian leader in sustainable timberlands management created through the affiliation of Island Timberlands and TimberWest (in 2018) and has operated on British Columbia's Coast for more than 100 years. We strive to be a global leader implementing the latest innovations and technologies across our operations, with our people and their safety and wellness as our highest priority.

Mosaic Forest Management manages the forest planning, operations, and product sales for TimberWest and Island Timberlands, delivering sustainable forest management within their private forest lands and Crown tenure areas. All forest lands are certified under the Sustainable Forestry Initiative (SFI).

Mosaic employs several thousand people directly and indirectly to achieve strong economic, social and sustainable outcomes from the working forest. We are Canadian owned by major Canadian public service pension funds.

Mosaic was the first forestry company in BC to achieve Progressive Aboriginal Relations Bronze Certification and then Silver Level Certification. Also, the first forestry company in the world to include the supply chain in its carbon accounting and recently certified by the Carbon Trust for our carbon accounting across the company's entire supply chain.

We are an equal opportunity employer committed to diversity and inclusion and welcome all interested applicants to apply.
