Forest Technicians

Location: Quesnel, BC

Nortech Forestry Ltd is a well-established, stable company located in Quesnel BC that has been providing professional, high-quality forest consulting services to major licensees, government agencies and private landholders since 1987. Nortech is currently seeking applicants to fill full-time positions in the Quesnel area.

Successful applicants will be involved in the planning and completion of various multi-phase projects including reconnaissance, block and road planning and layout, riparian and damage assessments and surveys, Site Plan data collection, timber cruising and various other tasks, along with the associated mapping, office work and reports.

Qualifications / Assets:

- Be an efficient and self-motivated team player with strong organizational and communication skills, a positive attitude, and an eagerness to learn
- Experience in related work is an asset. A post-secondary education with a diploma in forestry is preferred, though not required
- Possess good basic field skills and be physically capable of working safely in adverse weather and terrain conditions
- Have good problem-solving skills and an ability to change and adapt plans as situations require
- Have solid map reading and data collection skills
- Experience with pertinent field/office equipment and related software is an asset (MS Office, GPS, mapping applications, basic computer skills)
- Must possess a valid drivers license and be legally permitted to work in Canada

Please email in confidence a cover letter and detailed resume in PDF format to:
jobs@nortechforestry.com.

We thank all candidates for their interest, however only those selected for an interview will be contacted.
