Join Our Team in Golden:

PWT is looking for a Senior Planning Forester to join its Forestry & Resources Division based in Golden, B.C.

As a Senior Planning Forester with PWT, you will lead, plan, and manage the resource activities on our forest tenures.

What You'll Do:

- Analyze the forest planning data to determine where timber harvest and road construction will occur in the budget year and the future
- Determine which silviculture prescriptions will be applied
- Optimize harvest areas (CPs) to minimize stumpage
- Negotiate and manage layout, engineering, and other forest development and planning contracts
- Develop various Operational Plans working with the Government and First Nations
- Submission and approval of Appraisals and Cutting Permits
- Silviculture Prescription development and professional sign-off
- Assist the Operations Superintendent in developing and implementing Timber Harvesting and Road construction Plans
- Budget forecasting and management
- Hire, train, and manage the performance of Planning staff
- Oversee and manage special projects, inventory analysis, and GIS data gathering
- Prepare and submit comprehensive planning reports and assist with strategic planning
- Perform all duties in accordance with safety rules and regulations

- Sit on various Forestry-related committees
- Perform 75% office-related duties and 25% outdoor duties
- Travel required
- Full Time position

What You Bring to PWT:

- Bachelor's Degree in Forestry
- Registered Professional with Forest Professionals B.C. (FPBC)
- 7 – 10 years of forestry experience
- 5 years of supervisory-level experience
- Driver's License and a clean driving record
- In-depth knowledge of timber development and planning, forest engineering, timber cruising, GIS and GPS practices
- In-depth knowledge of B.C. Forest legislation, policies, and procedures
- Knowledge of non-timber forest legislation, policies, and regulations
- Comprehensive knowledge of GIS, GPS, and mapping hardware and software
- Demonstrated leadership skills and a safety-first mindset
- Excellent communication skills
- Strong interpersonal and negotiation skills
- Ability to build effective working relationships both internally and externally
- Self-motivated with the ability to perform well individually and in a team environment
- Ability to proficiently operate a computer and software, including Outlook, Teams, Excel, Word, etc.

Why You'll Love Working Here:

- #1 –The people and camaraderie at PWT! You will be joining a group of dedicated forestry professionals who are passionate about their work and pride themselves on their outstanding team dynamic.
- Competitive benefits package, including extended health, dental, vision, and employee assistance program
- Pension plan with employer matching contributions
- Safety gear allowances

- Training and development opportunities to support your growth
- A safety-focused environment complemented by a supportive and friendly culture
