

FOREST TECHNICIAN – Summer Student Opportunity

Pacific BioEnergy is a private company established in 1994 with operations in the heart of British Columbia's forest region, Prince George, BC. Pacific BioEnergy owns and operates one of Canada's largest pellet plants and is committed to meeting growing worldwide demand for this clean energy source. In addition to sourcing significant volume from forestry industry biomass residuals; Pacific BioEnergy has access to five Non-Replaceable Forest Licenses in the Prince George, Vanderhoof and Quesnel Forest Districts.

DESCRIPTION:

As a Forest Technician you will be responsible for providing technical expertise and support to project teams in all aspects of forest management including multiphase timber development, silviculture activities, harvest operations, and forest transportation systems. The term of this opportunity is from May 1, 2021 to August 31, 2021.

All candidates should be able to demonstrate the following:

- Enrollment in, or graduation from, a forestry or natural resource program.
- Enthusiasm and a passion for forestry and for working outdoors.
- Team oriented with a professional and courteous manner.
- Broad understanding and appreciation of general forestry practices.
- Valid Class 5 Driver's License.
- Self starter, able to prioritize, manage tasks/timelines, and work independently.
- Preference will be given to individuals with previous tree planting supervision experience

Pacific BioEnergy offers:

- Dynamic work experiences.
- Mentorship opportunities within the forestry profession.
- Exposure to the pioneering Biomass sector.
- Industry competitive remuneration.

If you have a desire to be part of a team that produces a superior product with highest level of quality assurance and feel that your passion for people can contribute to our team environment, then we would love to hear from you. Please forward your resume in confidence to CODonnell@pacificbioenergy.ca with your name and "Summer Employment-Forestry" in the subject line ex: "Your Name Summer Employment- Forestry".

The closing date is **April 13th at noon**. We thank you for your interest in this position; however only candidates selected for interviews will be contacted.
