## Provincial Silviculture Forester

Ministry of Environment  
Prince Albert, SK

Explore  
your  
future

The Saskatchewan Ministry of Environment has an exciting opportunity in the Forest Service Branch located in Prince Albert. As the Provincial Silviculture Forester, you will lead the development, implementation and improvement of provincial standards and codes of practice for forest renewal, audit forest renewal practices of industry and government and improve confidence in predicting future forest conditions by leading investigations, trials and research of past and current forest renewal practices. You will do this by consulting with the forest industry, government staff and educating the public about improved forest renewal practices and procedures for assessing compliance with renewal standards.

We are committed to high citizen and client satisfaction through workplace excellence, continuous improvement and innovation and ensuring workplace health and safety.

Closing Date: June 19, 2019

Competition Number: ENV001571
