## Harvesting / Operations Supervisor

**Career Opportunity** to join a dynamic and diverse team of professionals who enjoy their jobs and the outdoors. We recognize the importance of teamwork in these challenging and rewarding positions, while enjoying a balance of work with personal life.

**Sidley Mountain Forestry Consultants Ltd.** is an established resource management and forest development company providing full phase Forest Development and Harvest Operations Supervision services with a focus on Safety, Quality and Productivity for over 26 years. Our base of operations is located between Osoyoos and Rock Creek, B.C. in the beautiful diverse Boundary/South Okanagan Region. There are a variety of local communities where our staff can choose to live and work.

Our clients are increasingly working alongside local First Nations to achieve landscape level and cut-block level objectives. Our work includes implementing these plans on the ground and ensuring First Nation values and resources are being managed and protected.

We are looking for a Harvesting / Operations Supervisor with a variety of training and experience. An individual with a strong commitment to safety, quality work and efficiency in all work activities. The candidate will have post secondary forestry education and be registered or eligible for registration with the ABCFP as an RPF or RFT. The job description and required skill sets include:

- Log procurement and delivery
- Log quality
- Wildfire risk management
- Harvest completion activities
- Safety & EMS supervision
- Road inspections
- Supervision of day to day operations
- Strong communication and organization skills
- A valid Class 5 Drivers License with a clean abstract
- LRM/LIMS/SNAP experience an asset

We offer competitive wages commensurate with training, experience and performance. In addition, a comprehensive benefit package, performance bonuses, allowances and an opportunity for career advancement.

Please apply by sending your resume and cover letter along with any questions by email to [employment.sidley@gmail.com](mailto:employment.sidley@gmail.com).

We would like to thank all applicants in advance for their interest and consideration in joining our team, however only those selected for interview will be contacted.
