

A step in the right direction!

We have two exciting opportunities for **Forestry Professionals** in our West Operating Region in Central BC!

About Us

Sinclar Group Forest Products Ltd. is an integrated wood products manufacturing company with operations throughout north-central British Columbia. Since 1962 the dedicated team at Sinclar Group has been building strong and stable businesses by encouraging leadership and innovation in our workforce, upholding the family values that framed our beginnings, and respecting the needs of the communities in which we all live and work.

Working with integrity is fundamental to the Sinclar Group of Companies. The health and safety of our employees, our commitment to responsible environmental stewardship, ethical dealings with our business partners, and contributing to the economic and social fabric of the communities in which we operate define the essence of who we are.

While our focus is meeting the needs of our customers, our success is driven by our people.

The Opportunities → Foresters (2)

These are excellent opportunities for forestry professionals who wish to grow their careers in the Northern Interior forest industry!

As a Forester with Sinclar, you will be part of our Woodlands Team and have various responsibilities in the West operating area of Vanderhoof and Fort St James. With a commitment to safety first, you will focus on First Nation relations, Community relations, operational planning, contractor management, and financial controls. Expanding your career experiences by working within multiple disciplines of the forestry field, these positions will provide you with many opportunities for personal growth and achievement.

With demonstrated professionalism and a steadfast commitment to safety as a priority, successful candidates will be detail oriented and possess excellent communication and organizational skills.

As a successful candidate, you will be a Registered Professional Foresters (RPF) or working towards your certification, or be a Registered Forest Technologists (RFT) with at least five (5) years of forestry experience. Successful candidates will be given opportunities to expand their experience in addition to roles commensurate with their qualifications. Those with lesser qualifications may be considered for roles developed to provide opportunities to gain relevant experience.

These positions are flexible in nature, providing opportunity for involvement in many aspects of the business. Please note that some operating areas are remote and may require occasional camp accommodation.

Communities

Vanderhoof

At the geographical centre of British Columbia, [Vanderhoof](#) is a welcoming and inclusive community of nearly 14,500 people within town limits and the surrounding rural area. Offering affordable housing, reasonable tax rates, great education, superior health services, access to government services and a

strong retail and service sector, this is a great place to raise a family, operate a business or even retire! Rich in culture, history, natural resources and recreational opportunities, Vanderhoof really is at the heart of it all! Want to know more? Check out these resources [here](#)!

Fort St. James

In a community that offers affordable housing and an idyllic lifestyle for those who enjoy the great outdoors, [Fort St. James](#) is an energetic, active and diverse community that genuinely reflects the northern way of life. The gateway to an abundance of trails, mountains and a chain of rivers and lakes that traverse 400 kilometers of central British Columbia, Fort St. James is known for opening its doors and showing its visitors and new

residents the beauty of the north. Want to know more? Take a virtual tour of Fort St. James [here](#)!
