JOB OPPORTUNITY

Intermediate & Senior Field Engineers

\$32-38/hr+ based on experience and designation

The Locations!

Campbell River - Port McNeill - Prince George

The Company!

Are you someone who loves problem-solving and hands-on work? Do you thrive in dynamic environments and enjoy working outdoors?

If yes, then we have an exciting opportunity for you to join Strategic as a Field Engineer!

As a First Nations majority owned company (Ehattesaht Chinehkont Nation), Strategic adopts an inclusive and innovative model in recruitment and retention of employees.

Strategic Natural Resource Consultants field locations are often remote and naturally beautiful work sites accessed by 4x4 trucks, quads, snowmobiles, helicopter, and boat.

The Perks!

We offer a comprehensive benefits package that includes health & dental, mentorship & professional development, paid professional dues, RSP matching and Employee Ownership so you can become invested in the Ehattesaht/Strategic family.
