Woodlands Manager Prairie Woodlands, High Level, AB

Position Overview:

Reporting to the General Manager, Prairie Woodlands, the Woodlands Manager is responsible for the delivery of approximately 1,700,000 m³ of fibre to the High Level, Alberta manufacturing facility.

The Woodlands Manager maintains direct oversight of the forest resource planning, optimization of timber development and coordination of scheduling, harvesting and delivery of the quota wood from company managed tenure volumes and for all required purchase wood volumes. The Woodlands Manager will work closely with the Manufacturing Plant Managers, Marketing Department and members of the Woodlands team to develop and implement operating strategies. A key component of this position is the ability to develop consensus, enrollment and alignment among internal and external stakeholders.

The position also participates and presents Tolko's strategic views on various forest policy and technical forestry committees, at a regional and provincial level as required by the Chief Forester.

Qualifications:

- 8–10 years related industry experience;
- A minimum of 5 years of proven leadership ability;
- University Degree or Technical Diploma in Forestry;
- Active Registered Professional Forester (RPF) or Forest Technician (RFT) designation or be eligible for registration;
- Strong working knowledge of lumber manufacturing operations is a necessity;
- Must be able to accept accountability and initiate and manage change;
- Thorough understanding of forest policy, guidelines, and regulations;
- A proven commitment to safety;
- Strong communication skills.
