

West Fraser is a leading diversified North American forest products company, listed on the TSX and recognized for the seventh time, as one of Canada's Top 100 Employers. West Fraser believes strongly in promoting from within. We are looking for an individual interested in a long-term career with us. We offer a competitive salary and excellent benefits.

Our Chetwynd Forest division has an opportunity for a:

PLANNING COORDINATOR

Reporting to the Planning Superintendent, the Planning Coordinator will work with a team of professionals responsible for all timber development activities. Our Planning Coordinators enjoy a balanced mix of field and office work, with exposure to all aspects of our diversified and integrated business.

Core Duties include:

- Timber reconnaissance and development, cutting permit acquisition and appraisals
- Government and First Nations liaison
- Contract administration and supervision
- Harvesting and road plans
- Incorporating wildlife and other environmental values into harvest area designs
- Completing all necessary field work including cut block and road layout
- Consulting stakeholders

The ideal candidate will possess:

- A Registered Professional Forester Designation (RPF), with the Association of BC Forest Professionals (ABCFP), or on the path to becoming an RPF
- 2 years of relevant forestry experience
- Some experience in planning and cutting permit development,
- Working knowledge of the appraisal system and timber cruising
- Candidates with lesser experience or qualifications or suited for other opportunities may be considered for this position or other positions within our Woodlands Team

If this position sounds like the career for you, apply today in confidence by submitting your resume and cover letter to www.westfraser.com/jobs.
