

OPERATIONS MANAGER

*project diversity, career advancement, flexibility
exceptional pay for exceptional candidates*

AT WESTLAND

Westland Resources works throughout Northwest BC on a diversity of natural resource management projects, including the Energy, Forestry and Infrastructure fields. For two decades our services have covered the spectrum from strategic advice through assessment, development and permitting, and on to operational implementation, monitoring, problem-solving, and post-project supervision. Our clients include First Nations, energy and utility companies, forest licensees, infrastructure developers and all levels of government.

THE JOB

The Operations Manager will manage operational projects in the Forestry and Energy fields from project inception to completion; mentor staff; and build client capacity. This exciting career opportunity is based in beautiful Terrace, BC, a fun and family-oriented community, with many local amenities and access to an abundance of outdoor activities including incredible fishing, skiing, and hiking, to name a few.

EXPERIENCE AND QUALIFICATIONS

We are looking for someone with a well-rounded operational background in assessment, valuation, operational planning and supervision of resource extraction, with a minimum of 5 years experience. Skills we are looking for include:

- Project management (planning, budgeting, ground-level implementation, supervision and monitoring)
- Contract negotiation and implementation
- Logging and road construction supervision
- Timber and resource valuation and reporting
- Liaising and negotiation with resource agencies, stakeholders and First Nations
- Safety and environmental program planning and development
- Working knowledge of BC's natural resource regulatory environment

The successful applicant will also be a:

- Team-oriented self-starter looking for diversity and career growth
- Quick and adaptive learner that enjoys working in the woods
- Open and positive with clients and government agencies

Westland will provide excellent pay for exceptional candidates. We also offer a comprehensive benefits package, including profit sharing and pension allowance, a flexible work environment, the opportunity for career advancement, and mentorship from senior management.

Attitude is just as important as experience: we take great pride in the work we do and in contributing to the success of our clients. We are a SAFE Certified company.

If you'd like to work with us, please email your resumé and cover letter with a summary of qualifications and experience to WLR@westlandresources.ca.

We thank all persons who apply; however, only those persons selected for an interview will be contacted.
