

FORESTRY PROJECT MANAGER

*project diversity, career advancement, flexibility
exceptional pay for exceptional candidates*

AT WESTLAND

Westland Resources works throughout Northwest BC on a diversity of natural resource management projects, including the Energy, Forestry and Infrastructure fields. For two decades our services have covered the spectrum from strategic advice through assessment, development and permitting, and on to operational implementation, monitoring, problem-solving, and post-project supervision. Our clients include First Nations, energy corporations and utility companies, forest licensees, infrastructure developers and all levels of government.

THE JOB

The Forestry Project Manager will work in the Forestry and Energy fields to lead forest development activities; support the preparation and implementation of plans for forestry activities and infrastructure projects; mentor staff; and build client capacity. This exciting career opportunity is based in beautiful Terrace, BC, a fun and family-oriented community, with many local amenities and access to an abundance of outdoor activities including incredible fishing, skiing, and hiking, to name a few.

QUALIFICATIONS AND EXPERIENCE

We are looking for someone this is:

- Well-rounded with solid experience in forest road and cutblock layout (cable and ground systems), cruising and waste and residue surveys, with 5+ years' experience
- Experienced with GPS technology and competent in RoadEng™, ArcGIS™, and Microsoft Office™ applications
- Knowledgeable about BC's forest legislation and regulatory environment
- Experienced with forestry permit preparation and processes, and landscape-level planning
- Physically fit and ready to lead and develop staff in the field
- Experience with forestry operations and community wildfire protection would be an asset
- Team-oriented self-starter looking for diversity and career growth
- Quick and adaptive learner that enjoys working in the woods
- Open and positive with clients and government agencies
- Registered (or immediately eligible) with the Association of BC Forest Professionals (RPF or RFT)

Westland will provide excellent pay for exceptional candidates. We also offer a comprehensive benefits package, including profit sharing and pension allowance, a flexible work environment, the opportunity for career advancement, and mentorship from senior management.

Attitude is just as important as experience: we take great pride in the work we do and in contributing to the success of our clients. We are a SAFE Certified company.

If you'd like to work with us, please email your resumé and cover letter with a summary of qualifications and experience to WLR@westlandresources.ca.

We thank all persons who apply; however, only those persons selected for an interview will be contacted.
